PROFILE SUMMARY

Self-motivated and eager-to-learn individual with a positive attitude towards growth and development. Adaptable to changing environments, open to new experiences, and committed to improving skills while contributing effectively in a team-oriented setting. Passionate about AI tools, emerging technologies, and applying technical knowledge to real-world solutions.

EDUCATION

B.E Electronics and Communication Engineering	2023 - 2027
V.S.B College of Engineering Technical Campus, Coimbatore	80%(till 6th semester)
Higher Secondary Certificate (HSC)	2021 - 2023
Sree Ramakrishna Matriculation Higher Secondary School	74.6%

PROJECTS

Tumor Classification - Ensemble Learning Integrating Multiple Predictive Algorithms (Patent Project)
Patent Application No: 202641027564 A. AI-based breast tumor classification using stacked ensemble learning. Improves accuracy in detecting benign and malignant tumors. Supports early diagnosis through clinical decision support system.
Smart Home Automation System Using Embedded Systems
Developed an Arduino Uno system to automate household appliances using relay modules. Integrated Wi-Fi and Bluetooth modules to enable seamless remote control via a mobile phone. Optimized system logic to reduce energy consumption and improve overall home safety.

EXPERIENCE

Web Development Intern, Proplus Technologies	(02/01/2026 – 12/01/2026)
Developed web pages using the front-end development	
ES-IoT Intern, Emiglitz Technologies	(11/06/2025 – 25/06/2025)
Developed predictive models using embedded systems and IoT	
Artificial Intelligence Intern, ADOVI	(08/03/2024 – 28/04/2024)
Conducted real-time data analysis projects and applied ML algorithms for actionable insights.	

SKILLS

- **Programming language** : Java.
- **Version Control** : Git , Git hub.
- **Frontend** : HTML , CSS , Java script.

CERTIFICATIONS

- **NPTEL**

Elite Certification | Wireless Communication | Introduction to 4.0 and industrial internet of things

- **NPTEL**

Elite Certification | Cloud Computing | Insights of Cloud Computing

- **INFOSYS**

IoT Edge Computing | IoT Analytics | Certified

I hereby declare that the above furnished details are correct to the best of my knowledge.
